Dear Business Friend,

The Turkey Creek Trojans have been serving the youth of Plant City since 1969. We are a Non-Profit Youth Football and Cheerleading Organization, that depends upon and utilizes its partnerships with businesses like yours to help provide our youth with; not only all the equipment necessary to make them safe and successful on the field, but in some cases, without your help they would not be able to play or cheer due to their families financial situation.

At Turkey Creek, we always provide the latest, top of the line equipment, facilities, and especially coaching. Our volunteers go through a rigorous training program, background check and first aid training that is renewed every year. Our coaches and staff are not only teaching these young men and women about football and cheerleading, but providing them with life lessons, on hard work, teamwork, adversity, and discipline that will be used and implemented into society and possibly even your very own workplace.

We are asking for your help in providing the opportunity to underprivileged youth in our area to be able to experience our programs. The Turkey Creek Trojans have been responsible for many young men and women attending college and/or receiving a scholarship based on the lessons learned on our fields.

Please see the different levels of contribution and remember, not only is this tax deductible donation helpful to your business, but you just might be changing someone's future.
